- Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.

- Safety shall always be of foremost consideration in actions and conduct by the handler at all times.

In such cases, no fees shall be refunded.
- There will be a \$20 service fee charge for any returned check. Checks not honored by the bank do not constitute a valid entry. **CHECKS WILL BE DEPOSITED PRIOR TO TRIAL DATE.**
- All crates and exercise pens are to be set up only in designated areas. Each exhibitor is responsible for cleaning up his own setup.
- All dogs must show in the height class they entered unless measured into a higher jump height class by the judge. Dogs that measure into a higher height class will run at the end of the running order for that height class or for exhibition only in the lower height class.

Frequently Asked Questions

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stockdog trials, however any qualifying scores will not be recorded and applied to titles.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA®.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA®, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is \$10.

- Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is **in addition** to the tracking fee of \$10 per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be \$20. For two dogs, the cost would be \$30, for three, the cost would be \$40, etc.
