- **Top Notch Canines is an alcohol and drug free zone. NO SMOKING ALLOWED ON GROUNDS**

### **Top Notch Canines Competitor Use of Facility Rules**

- Top Notch Canines has indoor restrooms and excellent evaporative cooling throughout the warehouse. Additional fans will be placed to maintain optimal airflow in the crating area. If you wish to bring additional fans please plan on battery power. Practice area and rings feature Comfort King matting.
- The site is located in an industrial area. Outside areas are concrete or asphalt. If your dog has tender feet, boots to protect the feet from the hot surface may be

warranted. Giving your dog a chance to get comfortable with boots prior to the show will make your first indoor show in Phoenix easier.

- There are two small potty areas; one dirt and the other on artificial turf.
- There is no place to throw a ball or other toy. You may wish to devise other games or tricks to warm up your dog prior to your runs.
- NO SMOKING in Facility or on Grounds

**\*Equipment or personal items left at the show site are the responsibility of each exhibitor. Top Notch Canines and Australian Shepherd Club of Arizona are not responsible for lost or stolen dogs or equipment.**

### **SPECIAL REQUEST**

**To help protect the matting on the floor from the granite, grit and grime of Arizona we request that everyone clean and inspect the shoes they will be wearing and remove pebbles and pieces of granite since these may damage the flooring. It helps to wear another pair of shoes to the event and enter the building by walking on the all-weather mat to the kennel area. Once there you can sit down to change your shoes. IMPORTANT: no dollies/carts inside the building.**

### **CRATING AREA**

There will be adequate crating space for everyone as long as everyone plans ahead and doesn't use an excessive amount of space. Personal chairs will not be allowed in the crating area. Chairs are welcome in the spectator area. We have allowed for approximately 6 foot wide aisles so dogs will not be in each other's faces when moving to and from the kennel area. Only soft sided kennels may be placed directly on the matting; all wire/metal kennels and X-pens must be placed in the concrete section or on some type of rug, towel, etc. that will protect the mat from damage. Limited X-pens will be allowed but please only for 2 or more dogs. Some crating will be on the concrete, we cannot avoid it. Please plan to bring extra thick bedding.

### **REFUNDS**

- THERE SHALL BE NO REFUNDS for entries withdrawn after the closing date or in the event a dog and/or handler are dismissed from competition, regardless of the reason for dismissal. Bitches in heat may receive 50% refund if trial secretary is contacted by Monday, April 30, 2012 by 6:00 p.m. – must be accompanied by written veterinary note.
- There will be no refunds for entries in the event a dog and/or handler is dismissed from competition, regardless of the reason for such dismissal.
- No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

### **RV Parking Near Site**

Due to limited parking and maneuvering space on site, RV's may not park on-site during the day. Street Parking is available from 6 AM until 6 PM on both sides of a long industrial street. Large semi-tractor rigs navigate the street to and from warehouse facilities; caution should be taken to keep back from driveways when parking and be

careful when entering and exiting your vehicle. Approximately 10 RVs should be able to park within a 1 to 3 block walk. A very limited amount of overnight **dry** RV parking is available on site (# depends on RV size). RV's must be moved onto TNC property after competitors have left and moved back to the street for daytime parking prior to set up time for that day. Remember there is no exercise area for the dogs. We apologize for the inconvenience.
